MONEY-SAVING TIPS

1. BULK BUYING

- Order seeds in larger quantities for better prices
- Buy nutrients in 5L containers instead of 1L
- Purchase trays in bulk (50+ at a time)

2. TIMING YOUR PURCHASES

- Shop during end-of-season sales
- Buy equipment during winter when demand is lower
- Check for online specials before visiting stores

3. BUILDING RELATIONSHIPS

- Introduce yourself as a new business owner
- Ask about business discounts
- Request to be notified of sales and specials

EMERGENCY CONTACTS

If you can't find something:

1. Call Seeds for Africa first: 021 201 1118
2. Try Hydroponic.co.za: 021 671 9447

3. Visit Builders Warehouse for basic supplies
4. Check Facebook Marketplace for urgent needs
